ROSTER OF ACTORS AND TEAM PARTICIPANTS

(This is to be attached to the Registration Form together with Release Form)

It is recommended that all participating actors and team participants be registered. However, **CINESOL 36 HR. FILM RACE** also realizes this may be difficult due to the spontaneity of decisions made during the competition. Therefore, **CINESOL 36** makes it the Producer's responsibility to see that all "extra" cast members and team participants sign a Participant Release Form. Additional release forms are available at the registration sign-in booth.
